COMMITTEES SPARK BUSINESS!

CBN-SJ Committees are creating an enriched culture supporting the Catholic business and school community. All funds raised go to Catholic Education. Please check any committee below to request information about participating.

( ) The Membership Committee focuses on the attentive care of our members. The committee extends the challenge to Catholic businesses to join CBN-SJ and to promote the value of Scholastic Sponsorships.

( ) The Program Committee recruits speakers and sponsors for our Networking Breakfasts. The committee organizes special networking activities and coordinates member involvement.

( ) The Fundraising Committee determines best options for fundraising and appoints sub-committees to run each event.

( ) The Communications Committee is a vital link to CBN-SJ accomplishing its mission. They create and publish a newsletter for the monthly breakfast, create notices, ads, and press releases about CBN-SJ.
